

## TARGO CONSULTING

We know what it takes for your **STARTUP** to become a **BIG SUCCESS**

### Mission

It's true that our mission is to help our clients to achieve the full potential of their startup, but it is only part of the story ... The second part of the story is about our team, our values and our desire to take an active role in each venture of our customers.

### Services

**Business Planning** - Our business plans are based on accurate research, combined with a deep understanding of what you want to achieve.

It results in an effective and tangible roadmap, which helps your startup find its path to success.

**Pitch Deck** - The perfect tool to guide you through a successful meeting with investors. We know how to create professional pitch which will help your startup maximize the chance of successful fund raising.

**One-Pager** - A tested and proven way of giving the investors just enough information to decide they want to learn more, and capture their attention.

### Fund Raising

If you are interested in fund raising, we have the right expertise and know-how to help you with the process. Targo works with over 200 active investors, VCs and chief scientist.

## Meeting

Lets meet. By getting to know you and your startup, we are able to design strategies and deliver tailored solutions.

## Brainstorming

We break down your goals into smaller achievable steps, and brain storm on each and one of them.

## Planning

Business planning forces you to review everything at once: your market, value proposition, go-to-market, operations plan and financial plan.

## Pitch Deck

If you're raising money for your startup, having an impressive pitch deck is a key component in your fundraising toolkit.

## One-Pager

Nothing beats a face-to-face meeting – if you can get one. The one pager is often the ticket to that meeting.

## Fund Raising

Once your fundraising toolkit is ready, we can start approaching relevant investors.
